The Raider Review

By JANE GUILL

Excitement is in the air at Appomattox County High School, as many new activities are forming.

Thirty-six juniors are anxiously waiting to be inducted into the National Honor Society. The tapping will take place November 10 at the National Honor Society banquet, held each year for the old and new members and their parents. To be considered for membership in the National Honor Society, a student must have a 3.25 grade point average. At present there are 21 seniors in the National Honor Society. Mrs. Mary Turner and Mrs. Emilia Racer are the sponsors.

Enthusastic seniors are geared up for the senior class performance of **Fiddler on the Roof**. Diane Franklin senior class president said "I think we have some really talented people in our class and I am sure with everyone working together, we can make **Fiddler on the Roof** a play to remember." Chris Dunnam and Lori Wooten have the leading roles of Tevye and Golde, the parents in the play. Mrs. Joyce Sweet is director for the play, and Miss Debbie Rush is the musical director. **Fiddler on the Roof** is the most challenging senior play I've ever directed. The script is well written and the music features some of the most famous hits from the broadway stage," said Mrs. Sweet.

The senior play will be held December 11 and 12.

Juniors who took the Preliminary Scholastic Aptitude Test (PSAT) last Tuesday are now breathing a sigh of relief as they wait for the results. PSAT's are a pretest for the actual Scholastic Aptitude test which most seniors have already taken. This test is required by most colleges for admission. The scores on the PSAT do not count but give the student an idea on how they might do.

Girls' basketball season will come to an end after the tournament November 4, but boys' basketball is just about to begin. The season will start on December 1. Mr. John Pettyjohn coaches the yayevee team and Mr. Coty Dickerson and Mr. John Hudson coach the varsity team.

A great deal of activities are beginning to form at ACHS, and a great deal of students have the opportunity to become involved.

The time to have that muffler checked is NOW!
Our quick replacement service could be the best investment you've ever made
A faulty muffler is more than a noisy nuisance — it's actually a health hazard for the passengers and driver. In fact, mufflers sometimes leak dangerous fumes *before* the noise becomes noticeable. Why take chances? Let us inspect your exhaust system now. If a replacement is needed we can handle the job in minutes, probably for a lot less than you'd expect!
